

## **GET HOOKED ON ENGLISH!** **(4th year of Primary to 2nd year of ESO)**

At the JOYFE School we have the answer to the demand for English --> an “english only” school trip. This activity will take place at the Max hostel in Entrambasaguas, Cantabria. From the moment the children get up in the morning until they fall into bed at the end of the day, they will be speaking English, be it at mealtimes or during the workshops, sports and games that form the basis of the 20 different components, each with its own didactic units that make up the course. As such, the only language accepted throughout the stay is English.

The activities will be led by qualified monitors from the organizing body with JOYFE staff constantly on hand.
